3. Delays, refusals of your Al Ansari Wallet:

Account and transaction activity that appear suspicious or illegal is reviewed in accordance with our regulatory AML requirements.

For all AAW services, we reserve the right to delay and investigate the processing of a transaction (including holding any funds) if:

- a. The required information to process the transaction and/or any additional information we have requested about the transaction hasn't been provided.
- b. The applicable laws prohibit the transaction from being processed.
- c. The transaction is suspected of being fraudulent or related to any criminal activity.
- d. The terms and conditions are breached in any way, or processing the transaction would result in such a breach.
- e. A third party (service provider) prevents us from making the payment.

4. Refunds

Refunds for merchant payment transactions made with your AAW account will be processed to the customer's used wallet within 2 business days. When you make a purchase using your AAW account and the transaction is ultimately refunded due to any glitch, the payment will be refunded to the same payment method you used for the transaction.

Important Notice: Refund against cancellation of Transfers or any other Remittance transaction returned unpaid for any reason will be refunded to the sender at the prevailing market buying rate or transaction rate, whichever is lower, excluding the sending charges, any deductions from the beneficiary bank, cancellation fees and any other expense incurred as a result. A confirmation of non-payment and cancellation of the original instruction is required from our correspondent bank or agent before a refund can be issued. Refunds will be credited to the customer's wallet only.
